

Parking Regulations

- Each unit has one assigned parking space. Residents with more than one vehicle must use the VISITOR parking space for the extra vehicle.
- All guests, contractors and delivery vehicles must use the VISITOR parking area at all times.
- At no time shall a resident occupy another resident's assigned space.
- All vehicles must be parked "head in" at all parking spaces unless picking up or unloading. This includes vehicles parked in the VISITOR parking areas.
- The following are considered passenger vehicles and may be parked on the property:
 - Automobiles
 - SUV's
 - Vans (no camper conversions or commercial lettering)
 - Pick Up Trucks (no commercial lettering)
 - Motorcycles
- Boats and boat trailers are not permitted in the parking areas at any time other than for immediate loading/unloading.
- Campers and motor homes may be parked during daylight hours for loading and unloading only subject to VISITOR space availability.
- Vehicles illegally or improperly parked may be towed without notice.
